

International Tech Tour of UK and Ireland April 27-April 29

Submitted by Jennifer L. Schenker on January 12, 2010

The April 27-April 29 Tech Tour is open to investment professionals and executives of global companies. It will highlight the 25 most promising UK & Ireland technology companies selected by a selection committee of 20 senior professionals. *For the 25 selected companies*, it's a unique opportunity to present to an audience of high quality investors with the objective of obtaining financing. *For the investors*, it is a way to meet a large number of pre-screened, high quality UK & Ireland investment opportunities over three days. *For all delegates*, it is an opportunity to meet the UK & Ireland communities' most promising start up companies, its tech community and ecosystem, and to network with VCs and corporates.
